About the exhibition & NFT drop

The LaCollection x ANNKA KULTYS GALLERY exhibition's first theme, "Meta Body" revolves around artists' representation of the body through the use of technology. Artists Stine Deja, Baron Lanteigne and Marjan Moghaddam will showcase their work as part of this first theme.

Artists such as Claudia Hart, Signe Pierce and Addie Wagenknecht will explore the second theme, "Digital Florascapes. Therefore, they will show how new technologies can be used to represent nature in art. Finally, the artists participating in the "Digital Abstraction" theme will use software such as autonomous systems and pixelation to represent the concept of abstraction. These include Aaron Scheer, Alida Sun and Rachel de Joode.

The LaCollection x ANNKA KULTYS GALLERY online drop includes 27 NFTs representing the three curatorial themes. The general market sale is currently open and ends on 16 May, with prices starting at €280 or 0.1 ETH. In addition, two subsequent exhibitions with new themes will go live in June and October.
